

Student Service Award

During the 2010 GARBC Conference in Chicagoland, Illinois, the Students Alive! Program will recognize high school students who demonstrate outstanding Christian character and service at home, at church, and in their community.

We invite you to nominate a high school student, grades 9-12, from your youth group who is characterized by an exemplary reputation among peers and adults and by faithful service at home, at church, and in their community.

A committee will review the nominations and select the recipients. These individuals will be recognized at the GARBC Conference on Thursday morning, June 24. We will notify the recipients of this award so they and their family and friends can be present for the recognition.

Fill out the information below and send it to the GARBC Ministry Resource Center by April 1.
